### \$65,000

TOWARDS OUR GROCERY ASSISTANCE PROGRAM

We have fed 1147 students through our GAP program, contributing over \$65,000 to combat food insecurity. This marks a 65% increase in applications compared to previous years. Thanks to funding from the government, we were able to approve these additional applications. SABVC is continuing to work on fighting food insecurity.

### 4865+

STUDENTS ACCESSED OUR UPASS

In collaboration with the City of Calgary, we have worked hard to provide full-time students a discounted transit pass that is accessible on mobile devices. The transit pass allows students to have unlimited access to Calgary Transit services.

### \$112,000

DONATED TO AWARDS FOR BVC STUDENTS

SABVC believes in investing in the future of BVC students. To help break down barriers and make education accessible for all, SABVC has donated \$112,000 for awards, bursaries, and student services.

### 14,400

ENROLLMENTS IN SABVC'S HEALTH AND DENTAL PLAN

SABVC continues to provide BVC students with a comprehensive health and dental insurance coverage. Our Health and Dental plan works to protect BVC students by reducing the out-of-pocket medical expenses.
