Tell us about yourself

Sure, My name is Sukhdev Singh. I am 24 years old. I belong to Punjab which nation country nominally contributes as hospitality. Put shedlight on my background qualifications as I had diploma in veterinary science from Guru Angad dev veterinary and animal science University. I already done with veterinary office assistant program from Bow Valley College Calgary as I'm current student of administrative professionals in Bow Valley College. I'm not only good in studies but also I indulge myself in different traits as I'm eager-viber person and I always ready to help the other people without any expectations. I'm savvy, risk-taker, observant, energetic, creative and organized. So, that's all about me and my personality.

What do you know about the Students' Association of Bow Valley College?

Student's Association of Bow Valley College (SABVC) is an organization that is dedicated to the effective representation, a positive campus experience which I attained from administrations. The prominent goals of students association are consistency in the values and conquer vision to gain goals. Surprisingly, the student association build a sense of community by embracing diversity and ensuring equality and acceptance also it provides positive, safe, secure and healthy environment to the students of Bow Valley College. As it ensures professional, productive and responsible with communities. This association also offers for awards and scholarships.

Diversity is a strength of SABVC. In your own words, how would you contribute to promoting diversity to the membership of SABVC?

As I earlier states that, I belong to Punjab which nation generally known as hospitality and achieved a powerful weapon in maintaining diversity. I'm also one of those individuals who are best to maintain diversity between learners because I obtained this skill from my motherland to whom people said India is a diverse country. I studied one year in this college in which I know my friends and seniors who face hurdles. I give my best to maintain diversity as if they will vote me, then I do a lot of things to help the learners and conquer all facilities to them which they need eagerly. Interestingly, I will render equality to all learners and always take care of the students voice.

What is your platform?

Looking to my profile, as I'm current student of administrative professionals in Bow Valley College and in present epoch, I want to do some work for the welfare of students. I believe there are numerous commodities why I think candidates should choose me to acquire great opportunities. As I have all qualities which one person need to become a good candidate and I have vast knowledge about all aspects. If individuals give chance to me then I try my best and always do work for the welfare of general public. Recently, I noticed countless learners who suffered from obstacles while observing them, I consider myself to take part in election. I can easily deem that, if people should choose me then I provide surety to all I conquer my best and always become helping hand.
